Business Days

Our business days are Monday through Friday, excluding federal holidays. Transactions that you initiate on a non-business day (Saturday, Sunday or federal holidays) are effective dated the next business day. TEGFCU Digital Banking is generally available 24 hours per day, seven days per week, 365 days per year. However, Digital Banking may be offline or interrupted for a short time for daily data processing and/or periodically for servicing or updates.

Limits on Transfers and Transactions

1. **Regulation D Transaction Limit on Money Market Accounts.** During any calendar month, you may not make more than six (6) transfers from any money market account to your other accounts or to a third party by means of an online transfer or other preauthorized electronic funds transfer, automatic transfer, overdraft protection transfer, telephone order or instruction, request transmitted via facsimile or transfer initiated through automated telephone response service. This limitation does not apply to transactions conducted at ATMs, in person or by mail. Internal transfers to make payments to your loan accounts are also excluded from this limitation. Federal law provides that if you continually violate these limits, TEGFCU may be obligated to close your account.
2. **Limits to Available Balance.** You may not exceed the available balance in your account on the day that the transfer is made. TEGFCU reserves the right to refuse any transaction that would draw upon insufficient or unavailable funds, lower an account balance below the required amount or otherwise require TEGFCU to increase its required reserve on the account. Overdraft protection is not automatically triggered to cover “insufficient funds” transactions. We reserve the right to limit the frequency and dollar amount of any transaction at any time for security reasons.

===== STATEMENTS =====

You will continue to receive your regular account statement either monthly or quarterly (depending on the type of account), either by mail or through Digital Banking. You can opt-in to receive electronic statements through Digital Banking and you can opt-out of electronic statements at any time to stop receiving electronic statements.

===== CONSUMERS LIABILITY FOR UNAUTHORIZED TRANSFERS; ADVISABILITY OF PROMPT REPORTING AND TELEPHONE NUMBER AND ADDRESS FOR NOTIFICATION =====

Tell us at once if you believe: your TEGFCU Digital Banking username and/or password has been lost or stolen; that someone has transferred or may transfer money from your account without your permission; that your account has been compromised in some fashion; or that any other unauthorized electronic fund transfer has been or may be made. You agree to immediately call us at 845-452-7323 or write us at TEG Federal Credit Union, 1 Commerce Street, Poughkeepsie, NY 12603.

Telephoning or visiting a TEGFCU branch immediately is the best way of keeping your possible losses down. If you believe your TEGFCU Digital Banking username and/or password has been lost or stolen and you tell us within two (2) business days after you learn of the loss or theft and unauthorized transfers, you can lose no more than \$50.00 if someone used your user credentials without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your user credentials and we can establish we could have stopped someone from using your user credentials without your permission if you had told us, you could lose as much as \$500.00.

If your monthly statement from us shows transfers or transactions you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may be liable for the entire amount of the transaction if we can determine that we could have stopped someone from taking the money if you had

told us in time. If a good reason, such as a long trip or hospital stay kept you from telling us, we may make an exception due to your circumstances and extend the time period.

When you contact us to report an unauthorized transaction, you will be required to tell us your name and account number, describe the error or the transfer you are unsure about, explain as clearly as you can why you believe it is an error or why you need more information and tell us the dollar amount of the suspected error. If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you and will correct any error promptly. However, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the funds during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive your written statement within ten (10) business days, we may not re-credit your account. We will tell you the results of our investigation within three (3) business days after we finish our investigation.

===== FINANCIAL INSTITUTION'S LIABILITY FOR FAILURE TO MAKE TRANSFERS =====

If we do not complete a transfer to or from your account on time and in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, there are some exceptions. By way of example, we will not be liable if:

- You have not given us complete, correct and current instructions to process a transfer or bill payment;

When we receive a bill payment instruction that can be paid electronically (for the current or a future date), we will remit funds to the payee on your behalf, from the funds in your checking account, on the day you have instructed them to be sent ("Payment Date"). However, we shall not be obligated to make any such payment unless your account and/or overdraft protection plan has sufficient funds or credit availability to pay the

electronic bill payment on the Payment Date. Funds for electronic bill payment will be withdrawn from your account ON THE DAY the payment is scheduled TO BE SENT TO THE PAYEE.

If you do not have available funds in your checking account to pay the electronic bill payment on the date the payment is scheduled to be sent to the payee, we will attempt to debit your account the next business day. You are responsible to setup a new bill payment instruction for any electronic bill payment that is cancelled after the third attempt due to not having available funds or credit availability to pay the electronic payment.

Bill payments that are sent in check form to the payee are withdrawn from your account on the day the check is presented for payment and your account and/or overdraft protection plan has sufficient funds or credit availability to pay the check. We reserve the right to not make any or all of the payments you have specified in the event that your account does not have funds to cover ALL the bill payments you have instructed us to make.

PLEASE FOLLOW THE INSTRUCTIONS FOR SCHEDULING PAYMENTS ACCORDING TO THE REQUIREMENTS DEFINED FOR EACH PAYEE.

If the Credit Union does not properly complete a bill payment on time or in the correct amount even though you scheduled the payment according to the payee's instructions, we will pay any late fees or finance charges as long as your account was in good standing with the merchant prior to this incident. We will also be liable to you if we fail to stop a payment pursuant to your timely and properly received order to do so as described above.

The Credit Union shall not be responsible for any charges imposed or any other action taken by a payee resulting from a payment that you have not scheduled properly, including any applicable finance charges and late fees. In addition, the Credit Union will not be liable if any third party through whom any bill payment is made fails to properly transmit the payment to the intended payee. We will also not be liable if there are insufficient funds or credit availability in your designated payment account and/or overdraft protection plan; if a legal order directs us to prohibit withdrawals or transfers from the payment account; if the payment account is closed or frozen; or if TEGFCU Digital Banking, or any part of the electronic fund transfer system is not working properly at its payment date. The Credit Union will not be liable for indirect, special, or consequential damages arising out of the use of Bill Pay.

Termination
