**How We Will Calculate Your Balance.** We use a method called "average daily balance (including new purchases)."

**Balance Transfers.** We may permit you to transfer the balance of an account that you owe to another creditor to your account with us. If we approve a balance transfer, finance charges will be calculated and will accrue according to the same method as cash advances.

**Variable Rate.** The Interest Rate is subject to change on the first day of the billing cycle quarterly to reflect any change in the index and will be determined by the Prime Rate on the first day of each quarter (January, April, July, October) of each year as published in *The Wall Street Journal* "Money Rates" table to which we add a margin. If the Index is no longer available, the credit union will choose a new index which is based upon comparable information.
